

studio **SALT** PHOTOGRAPHY & FILM STUDIO

Welcome to Studio Salt

Studio Salt is a fully equipped premium photography & film studio located in Brookvale, on Sydney's Northern Beaches. Uniquely oversized proportions mean it's versatile and multi-purpose. The vast, private space (hire of the studio gives you exclusive access in its entirety) is well appointed with both a test kitchen and a shooting kitchen set. There is an 8x8 metre cyclorama also within the space, towering 5 meters in height, as well as the capacity for large-scale access (so oversized items like furniture or a vehicle can enter the premises easily). Plus, generous square footage and an 8 metre ceiling height allows the space to easily accommodate a crew and production of any size.
